

## **DAY TWO**

### ***Janet Nunn – Painting Black Eyed Susans***

**Duration of Class: One Day (6 Hours)**

**Medium:** Liquid Watercolor

**Skill Level:** All

**Description:** Learn to paint the Black-Eyed Susan with the Dr. Ph. Martin's Hydrus Watercolors and some plastic wrap. This lesson uses the plastic wrap to paint some of the detail of the flowers. Then we paint around the flowers bringing them up close to see the detail the plastic wrap has created. After we have finished the Flowers, we will work on a smaller painting to apply the lessons learned in the first painting. Bring your brushes and any watercolor supplies you would like to bring. Everything for the class is provided.

**Techniques:**

Use of Dr. Ph. Martin's Hydrus Watercolor and plastic wrap

**Student Supply List:**

Brushes (if you have them!) Watercolor brushes (size 14, 12 and 10 rounds). Everything else is provided!

**Provided by Instructor:**

- 300 lb Fabriano Artistic paper
- Dr. Ph. Martin's Hydrus Watercolors
- Various tools needed to create the lesson

**Class Size:**

Min # of students: 4

Max # of students: 20

rovided.
